PRESCRIPTION DRUG AND DIABETES SUPPLIES BENEFITS

This benefit plan includes a participating pharmacy network called Express Scripts, Inc. When you use this national network, your claims are filed for you.

Prescriptions are categorized as follows:

- Generic formulary medications
- Brand name formulary medications
- Non-formulary medications
- Specialty medications
- Excluded medications
- Other supplies

Certain medications may have a dispensing limit and/or require preauthorization/prior approval.

Benefits are available nationwide at any pharmacy participating in the Plan's pharmacy network. To locate a participating pharmacy, call the Pharmacy Management Team at (877) 658-9194 | TTY (877) 652-1844 (toll-free). Prescriptions filled at a non- participating pharmacy must be paid in full and submitted to Sanford Health Plan.

When a generic drug is available and you choose not to accept it, you are responsible for the difference between the cost of the generic and brand name medication, as well as the cost sharing amount. All costs above the allowed charge are your responsibility.

PREVENTIVE SCREENING SERVICES

Evidence-based items or services that have, in effect, a rating of "A" or "B" in the current recommendations of the United States Preventive Services Task Force, when received from a Participating Provider, are covered without payment of any deductible or coinsurance requirement that would otherwise apply. Preferred Provider Organizations (PPO)

PPO stands for "Preferred Provider Organization" and is a group of Health Care Providers who provide discounted services to the Members of NDPERS. Because PPO Health Care Providers charge Sanford Health Plan less for medical care services provided to the Members of NDPERS, cost savings are passed on to Members by way of reduced Cost Sharing Amounts. To receive a higher payment level, Covered Services must be received from an NDPERS PPO Health Care Provider. Please see the NDPERS PPO Health Care Provider Listing at www.sanfordhealthplan.com/ndpers.
