# Medical

## Sanford Health is the medical carrier

MSU offers two medical care options:

1. **PPO/Basic (Dakota Plan)**
2. **High Deductible Health Plan (HDHP)**  
[Health Savings Account \(HSA\)](#)

- Cards are mailed to the home address
- The PPO/Basic plan is the most common plan with copays and in-network provider visits without referrals.
- When an employee selects a HDHP, he/she incurs a higher deductible expense.
- The premium paid by the university for the HDHP is lower, and the premium savings is contributed to a Healthcare Savings Account (HSA) for the employee to pay out-of-pocket medical expenses.
- NDPERS will make monthly employer contributions totaling \$1061.52/year (\$88.46/month) for single coverage and \$2,568.72 /year (\$214.06/month) for family coverage .

- Must be enrolled in the High Deductible Health Plan (HDHP)
- Automatic enrollment with HDHP
- Balances can be carried over from year to year
- Additional contributions can be made to fund the account
- If you are claimed as a dependent on someone else's taxes, are covered by Medicare or a Flexible Spending Account, you are not eligible to enroll in a High Deductible Health Plan.

For 2022, the limits are:

- Single HDHP Coverage: \$3,650
- Family HDHP Coverage: \$7,300
- Age 55+Catchup: \$1,000
