**A BRIEF HISTORY OF MINOT STATE UNIVERSITY**

Minot State University owes its inception to the vision of the early citizens of Northwestern North Dakota who, as early as 1898, began to advocate a state educational institution in this region. The effort to make the necessary amendment to the constitution began shortly after the turn of the century, but the project did not take definite form until 1907 when C. A. Johnson introduced a bill in the Legislature to establish a normal school at Minot.

The bill establishing the State Normal School at Minot passed in 1907 and, as required by law, then passed the 11th legislative Assembly in 1909. Voters ratified the constitutional amendment in November 1911. The 12th Legislature appropriated $200,000 — for the Main Building, a dormitory (Pioneer Hall), and the power house — and the State Normal School at Minot became a reality.

Controversy revolved around the exact location of the school, but the controversy was settled when Erik Ramstad donated the present site. Builders laid the cornerstone of what is now Old Main in 1913. Pending completion of the buildings, the school opened in temporary quarters at the Minot Armory September 30, 1913. President Crane and 10 teachers were on staff at that time. Pioneer Hall opened March 1, 1914, followed by the Main Building April 7, 1914. President Crane left in 1921 and was succeeded by George A. McFarland. In 1924 – 25, the State Board of Administration raised the Normal School to full collegiate rank, changing the name to Minot State Teachers College.

In 1942, the Navy V-5 and V-12 programs brought 600 young men on campus. A total of 1,654 men were trained in the officer candidate and pilot training programs from July 1942 to November 1945.

In 1954, Dr. Casper Lura took over as president and, in 1958; a new library replaced the small one that had been located in Old Main. The institution was changing from a teacher’s college to a comprehensive state college and the institution offered its first graduate degree, a master’s degree in speech pathology. In 1967, Gordon B. Olson became president. During the 1970s, the university saw substantial growth in academic programs, and became Minot State University in 1987.

Upon the retirement of Dr. Olson in 1992, Dr. H. Erik Shaar became the seventh president of the institution. Notable achievements since that time include the completion and dedication of the new Gordon B. Olson Library, the conversion of the university from quarters to semesters, the renovation of the Student Center, the renovation of the old library into
Memorial Hall, and the uniting of all state universities into a single North Dakota University System under a Chancellor.

In 2004, Dr. David Fuller became Minot State University’s eighth president. During the ten years Dr. Fuller served as president several academic enhancements were made including the revision of the General Education curriculum to become the General Education Program, development of the Center for Engaged Teaching and Learning (CETL) and POWER tutoring and mentoring centers along with the Severson Entrepreneurship Academy. In addition, academic majors were added in the areas of energy economics and finance, athletic training and bioinformatics. A veterans center was also established.

Athletics moved to NCAA DII and NSIC, wrestling and women’s soccer were added, the marching band was reinstated and Herb Parker stadium underwent significant renovations. Many updates and renovations were made across campus including a new Wellness Center. A geothermal heating and cooling system was also installed. The campus experienced significant increases in the number of out-of-state and international students, faculty and staff salaries increased as did alumni contributions.

In 2014, Dr. Steven Shirley became the ninth President of Minot State University.

Graduate programs are now offered in Communication Disorders, Criminal Justice, Education, Management, School Psychology and Special Education.

Minot State University continues to be a comprehensive public university whose purpose is to foster the intellectual, personal, and social development of its students, and to promote the public good through excellence in teaching, research, scholarly activity, and public service. Minot State University is an integral part of the state and region it serves, and its mission and purposes are linked inextricably to the needs, aspirations, and commonwealth of the people of North Dakota.

**MSU BEAVER MASCOT**

The Beaver was chosen as the University’s mascot in 1924, when the State Normal School at Minot achieved collegiate status and became Minot State Teacher’s College.

On February 6, 1925, during a campus assembly, Pauline Marion Roach, nicknamed “Pud,” a member of the freshman normal school class, proposed the institution select a mascot, as other regional campuses had done. Her choice was the “Beaver.”

In a rather lengthy speech she explained the necessity for the mascot and pointed out the reasons for her choice. Foremost, she noted the beaver as a native of the region along the Mouse River, that he was “a builder and a hard worker, both characteristics of the school.” She also noted how “he perseveres quietly but with a goal well sighted” and compared the creature to the 1925
basketball squad. The students “broke in with vigorous applause at several instances” during her presentation.

The first beaver image to appear in a campus periodical was in the Red and Green in 1926. A vote was taken and the Beaver was “unanimously initiated” into our college tradition.

**ADMINISTRATIVE STRUCTURE**

**State Board of Higher Education (SBHE)**
The State Board of Higher Education is the policy-setting and advocacy body for the North Dakota University System and the governing body for North Dakota’s 11 publicly supported colleges and universities. When an employee leaves MSU, the department supervisor must follow separation procedures to ensure that employee access to systems, locations and property are properly secured. Health care benefits are provided through the end of the following month of separation. Employees and covered dependents are entitled to COBRA coverage upon terminating employment at MSU.

Terminating employees receive a payout of any remaining annual leave balance at their current rate of pay. (NDUS HR Policy 6). Employees with over 10 years of service receive a payout of 10% of their sick leave, based on current salary.

REIGNATION
Staff are requested to provide a minimum of two weeks written notice to the department head. One week’s notice is requested for temporary and probationary employees. The period of notice may be reduced or waived with department head approval.

Job abandonment is considered a resignation. Job abandonment occurs when an employee has not contacted the institution and has not reported to their scheduled work shift for three consecutive days without approval.

REDUCTION IN FORCE
The University may terminate or reduce from full to part-time or hours worked of any staff employee due to an organizational or procedural change, diminished workload, lack of funds, or other exigency. The employee shall be given at least two weeks written notice of the reduction. At the institution’s discretion, employees who are terminated may be given two-weeks of pay in lieu of the two-week notice.

Anonymously report fraudulent or wrongful conduct via Eide Bailly...
1-866-91-ALERT (5378)
RETIREMENT
Employees preparing for retirement are requested to provide the University with sufficient notice. Supervisors should advise employees to contact human resources for retirement planning.

JOB DISCIPLINE AND DISMISSAL
A regular staff employee may be dismissed from employment, suspended without pay, or changed to a lower pay rate for just cause. Just cause includes conduct related to the employee’s job duties, job performance, or working relationships which is detrimental to the discipline or efficiency of the institution in which the employee is or was engaged.

EXIT INTERVIEW
The purpose of an exit interview is to identify opportunities for improvement while also noting what MSU does well. An exit interview takes place with the departmental supervisor and the Human Resources Office.

EMPLOYEE SEPARATION CHECKLIST
This form is used by the supervisor to ensure MSU property is returned, IT services are turned off and there is a smooth check out process for the exiting employee.

STAFF EMERITUS GUIDELINES AND BENEFITS
Staff employees who retire from employment at Minot State University (MSU) are eligible for emeritus status if they are 55 years of age or older and have served MSU for a minimum of 10 full-time years (or the part-time equivalent of 10 full years).

Any MSU employee may nominate a qualifying candidate for emeritus status by submitting a nomination letter to HR. The nomination is then forwarded to the employee’s supervisor.

OUTSIDE EMPLOYMENT
MSU encourages good public relations, especially at the community level. An employee may be employed or engage in consulting activities or other services outside of the University if the consulting activity, service or other outside employment does not interfere with University job duties and does not constitute a conflict of interest.

PAY POLICY
MSU’s pay policy is primarily aimed at supporting the mission of the University through the hiring, development and retention of highly qualified staff. The HR Director makes salary determinations based on the position description, experience level, qualifications, market rate information, internal equity, and available funds. Supervisors involved in negotiations should consult with the HR director or VPAF for direction.

PAYDAY
Employees are paid twice a month, on the 15th and the last day of the month. If payday falls on a weekend, then the payday is the last workday prior to the weekend. There is a two-week lag in payroll. If hired on the first of the month, the first paycheck would be on the last day of the month. Paychecks are processed via direct deposit.

PAYROLL DEDUCTIONS
An employees’ paycheck reflects the total earnings for the pay period, as well as any mandatory or voluntary deductions. Mandatory deductions are legally required. Deductions include federal income tax, Social Security tax, and any applicable state taxes. Voluntary deductions are deductions that the employee authorizes, such as flexible spending accounts, retirement plans, insurance premiums, etc. Detailed paycheck information is available via self-service.

[ HRMS Self-Service ]

OVERTIME PAY AND COMPENSATORY TIME
MSU complies with the federal overtime provisions outlined in the Fair Labor Standards Act (FLSA). Nonexempt employees who work more than 40 hours in a workweek will be compensated at one and a half times the rate of pay. The supervisor must pre-approve all overtime hours. Employees may receive compensation in one of two ways: overtime pay or compensatory time off (comp time). In order to control University costs, flextime is encouraged to avoid overtime or the use of comp time. The supervisor, in such instances, is responsible for arranging flextime with the employee prior to commencing work.

TIME REPORTING, LABOR AND ABSENT MANAGEMENT (TLAB)
Both exempt and non-exempt employees use TLAB. Non-exempt employees must record any overtime work for the week, which is then approved by the supervisor.

Both exempt and non-exempt employees request time away from work (sick, vacation, funeral, etc.) in the system. The supervisor will receive a notification and process the approval.

[ TLAB HRMS Self-Service ]
**EMPLOYMENT TYPES**

**Non-Banded Staff Employee:** A person employed in an executive position that is excluded from the broadbanding system by policy or the institution’s president.

**Regular Staff Employee:** A person who satisfactorily completes a probationary period, who is appointed to an approved and regularly funded position, and who is employed at least twenty hours per week if hired on or after August 1, 2003, and at least twenty weeks each year.

**Full-time Staff Employee:** A regular staff employee employed for 40 hours or more per week.

**Part-time Staff Employee:** A regular staff employee employed for less than 40 hours per week.

**Temporary Employment:** A person employed in a position of intermittent or limited duration not to exceed one year, a seasonal position, or in a position working less than 17.5 hours per week, or less than five months per year, if hired before August 1, 2003, or less than 20 hours per week or less than 20 weeks per year if hired on or after August 1, 2003.

**Exempt Employee:** Those employees serving in positions which are exempt from the overtime pay and compensatory time off provisions of the Fair Labor Standards Act.

**Nonexempt Employee:** Those employees serving in positions covered by the Fair Labor Standards Act who are eligible for overtime pay or compensatory time off. Generally, those employees in bands 4000 through 7999 are included in this group.

**POSITION DESCRIPTIONS**

The primary purpose of a position description is to clarify expectations between the supervisor and employee regarding responsibilities, goals and developmental support. A position description describes the skills and competencies, primary and secondary responsibilities, employee goals, employee development plan, and physical demands. The skills, competencies and responsibility sections of the position description in the job description form the basis for job classification and market rate determination.

Supervisors refer to the position description for ongoing employee feedback, performance evaluations, and updates to the role. Finally, the position description provides the necessary information for staffing a role when it becomes vacant.
**BROADBANDING**

Placement of a position within a job band is based on the position description. The position description is also used to determine fair market value for each position. The market rate is used in making salary decisions. Other salary-setting considerations are job performance, level of responsibility, directly related experience, and internal equity.

Complete and accurate position descriptions will be written and maintained by the supervisor. The position description is used by Human Resources for placement of the position within a band and job family. Within each job family, job duties may vary depending on need as determined by the supervisor. Duties and responsibilities assigned a position may change without changing band or job family.

The Human Resource Office is responsible for the assignment of staff positions to the proper band and job classification.

**BROADBAND JOB CLASSIFICATIONS**

The university is responsible for the assignment of job classifications.

Accrued annual leave for employees previously employed with other North Dakota institutions or agencies may be transferred to institutions under the State Board of Higher Education according to agreements between the employee and institution. If re-employment occurs within one calendar year, the re-employing institution shall credit the employee with prior years of service from any state agency in computing the annual leave accrual rate.

Benefited staff employees eligible to accumulate annual leave must take 40 hours (or the equivalent on a prorated basis for benefited part-time employees) of annual leave per year except for the year during which they are hired. Accumulated annual leave, up to 240 hours (or the equivalent on a prorated basis for benefited part-time employees), shall be carried forward on January 1 of each year.

*If you would like to schedule a vacation or need a sick day, you will be making this request through our TLAB system on HRMS Self-Service.

SICK LEAVE
All staff employees and twelve-month faculty earn sick leave at a rate of 12 days per year. It is accrued in the same manner as annual leave. All sick leave accrues without limit, and terminating employees with over 10 years of service receive a payout of 10% of the unused sick leave balance at their current rate of pay (NDUS HR Policy 7). Sick leave may also be used for time off to care for a parent, spouse, or child due to illness up to a total of 80 hours per year, and up to 480 hours in serious situations. Sick leave can also be used for the birth or adoption of a child; up to six weeks within the first six months.
At the discretion of the department head and the concurrence of the appropriate administrative officer, an employee may be granted sick leave in advance of the accumulation thereof up to a maximum of 40 hours. In rare cases, such as leave due to a workers’ compensation claim or shared leave, the HR/Payroll office may process leave which exceeds the 40-hour advance. If an employee terminates employment, any sick leave taken in advance of accumulation may be deducted from the employee’s last paycheck provided the employee has signed an agreement authorizing the deduction.

Employees who use sick leave are responsible for informing their supervisors prior to the start of their scheduled work period and inputting sick leave into TLAB. The employing department may require satisfactory medical verification as deemed necessary by the department head prior to the payment of sick leave. An employee who has been on sick leave for three days, or more, may be required to provide medical certification upon returning to work. Sick leave may only be used in place of regularly scheduled work hours and shall not cause overtime.

**FAMILY LEAVE (FMLA)**

The FMLA entitles eligible employees to take unpaid, job-protected leave for specified family and medical reasons with continuation of group health insurance coverage under the same terms and conditions as if the employee had not taken leave. An “eligible employee” means an individual employed by the state for at least twelve months, and who has worked at least 1,250 hours for the state over the previous 12 months. Eligibility is determined as of the date FMLA leave commences. Eligible employees are entitled to:

Employees are entitled to twelve unpaid workweeks of leave in a 12-month period for:

a. the birth of a child and to care for the newborn child within one year of birth;
b. the placement with the employee of a child for adoption or foster care and to care for the newly placed child within one year of placement;
c. to care for the employee’s spouse, child, or parent who has a serious health condition;
d. a serious health condition that makes the employee unable to perform the essential functions of his or her job;
e. any qualifying exigency arising out of the fact that the employee’s spouse, son, daughter, or parent is a covered military member on “covered active duty;” or

Twenty-six workweeks of leave during a single 12-month period to care for a covered service member (as provided under the 2008 National Defense Authorization Act and section 22.13) with a serious injury or illness if the eligible employee is the service member’s spouse, son, daughter, parent, or next of kin (military caregiver leave).
An employee must submit a request for FMLA leave, providing the type of leave requested, the anticipated duration of the leave, and the anticipated start date of the leave in writing, using the Medical Leave (FMLA) Request form, within the notice period described above. If the employee is unavailable, or refuses, to complete the request, the employee’s supervisor should complete and submit the request for the employee to human resources.

FMLA leave is unpaid leave. Accrued sick, annual, or comp-time leave is substituted (i.e., runs concurrently) with FMLA leave. The maximum length of total uncompensated Family Medical Leave for eligible full time employees is twelve weeks within a 12-month period that begins with the first day of leave (26 weeks in a single 12-month period for the care of a covered service member).

If medical certification of the illness is requested, it must be returned to human resources within 15 days of the request unless it is not practical under the circumstances to do so, despite diligent good faith efforts. If medical certification is not provided in a timely manner, MSU may deny Family Medical Leave of Absence (FMLOA) until the certification has been provided.

Human Resources will provide the employee and supervisor with notification of eligibility within three business days, if all information has been received.

Upon returning to work, the employee is required to provide a return to work certification from a health care provider.

FUNERAL LEAVE
All employees accruing leave are allowed up to 24 hours of funeral leave to attend to the arrangements necessary resulting from a death of a family member or the family member of a spouse. Generally, the family member was a grandparent, parent, sibling, spouse, or child.

JURY DUTY
An employee shall be allowed leave with pay for jury or other legal duty when subpoenaed for such service. The employee may retain any compensation received for jury duty.

MILITARY LEAVE
Military leave with pay shall be granted to all state employees up to a maximum of 20 workdays for those employees who have been employed continuously for a period of 90 days or more immediately preceding the leave.

**BENEFIT ELIGIBILITY**

Health benefits begin on the first day of the month following the date of hire. A benefit eligible employee is one who is (1) at least 18 years of age; (2) filling a regularly funded and approved position; (3) working more than 20 hours per week for (4) 20 weeks or more in a calendar year. When these conditions are met, an employee remains eligible for benefits for the full calendar year.

**HEALTH INSURANCE**

NDPERS provides this benefit for single or family plans through Sanford of North Dakota. The monthly premium for this benefit is covered by Minot State University; however, deductibles and co-payments apply. This benefit is effective the first day of the month following the hire date.

A High Deductible Health Plan (HDHP) is also available. When an employee selects this plan, he/she is accepting a higher deductible expense. The premium paid by Minot State University is then reduced, and the premium savings is contributed to a Healthcare Savings Account (HSA) for the employee.

Upon terminating employment, health insurance coverage is effective through the last day of the following month. All terminating employees have the opportunity to continue coverage at their own expense under the COBRA regulations.

**DENTAL**

MSU offers two optional dental insurance programs, through payroll deduction, including Delta Dental and TDA Elite Choice. Many employees select the insurance provider based on the dentist they select. Others select a provider based on special needs coverage. Enrollment is required during the first 31 days of employment or during open enrollment.

**VISION**

MSU offers optional vision insurance coverage through Superior Vision, through payroll deduction. Enrollment is required during the first 31 days of employment or during open enrollment.

**FLEXIBLE SPENDING ACCOUNT (FSA)**

The FSA program allows employees a “before-tax” deduction from their salary for the purpose of covering dependent care and medical expenses. As the expenses are incurred, the employee then files for reimbursement from this account. The purpose of this program is to lessen the amount of taxable income for an employee and to provide an audited program for the IRS. If the actual expenses incurred and claimed are less than the “before-tax” deductions, then the remaining deduction amount is forfeited by the employee.
OPEN ENROLLMENT PERIOD
The open enrollment period occurs each year around the middle of October and the first week of November with specific deadlines set for each year. This allows for new enrollments and increases/decreases in benefit coverage that will become effective on January 1st of the next calendar year. Deductions for these changes will begin in December.

QUALIFYING EVENT
A qualifying event for health insurance occurs when there is a change in a life situation that qualifies for special enrollment such as a birth, adoption, marriage, etc. When these events occur the employee must request the necessary changes to current coverage within 30 days of the event. Otherwise, they will have to wait until the open enrollment period for additional coverage. A promotion or other job change might render an employee eligible for a new benefit. When this occurs, the employee has thirty days to choose the new benefit.

SHARED LEAVE PROGRAM
All employees accruing leave who are not in a probationary status may participate in the shared leave program. This program allows for the donation of leave to other employees who are experiencing a “serious, extreme, or life threatening” medical condition. This condition may apply to the employee or the employee’s immediate family. In the case of an employee, both annual and sick leave may be donated, though only annual leave may be donated if the case involves a family member. Supervisors should contact the HR office on behalf of their employees to access this program.

All non-temporary, non-probationary employees with over six months of continuous service with the State are eligible to receive shared leave pursuant to the following conditions:

a. The appropriate campus official has determined that the employee meets the criteria described in this section.
b. The employee must have abided by University System policies regarding the use of sick leave.
c. The employee’s use of shared leave, including both annual and sick leave, does not exceed four months in any twelve-month period.

EMPLOYEE ASSISTANCE PROGRAM (EAP)
The Village Family Service Center provides services to employees and their dependents for issues involving relationships, the workplace, emotional health, and service for financial and legal counseling, and other personal or job-related problems. All services provided by the EAP program are strictly confidential. EAP is your private and confidential counseling service.

[ EAP ]
**LIFE INSURANCE**

New employees are provided with term life insurance coverage of $7,000 at no cost. At the time of hire, an employee may choose higher coverage in increments of $5,000 up to $200,000 without evidence of insurability. Coverage is also available for spouses up to $100,000 and dependents up to $5,000 each. Coverage for spouses over $50,000 requires evidence of insurability.

If no additional coverage is chosen at the time of hire, additional coverage may be obtained during the annual open enrollment period. Applications for life insurance at this time will require evidence of insurability. Upon termination of employment this coverage is portable.

**RETIREMENT**

There are two different retirement plans used by MSU; one for faculty and professional staff and one for all other staff. The plan for faculty and professional staff is a defined contribution plan (401a) through TIAA (Teacher’s Insurance and Annuity Association). The plan for all other staff is a defined benefit plan through NDPERS. Supplemental retirement accounts are available for all employees.

**TIAA**

This plan requires an employee contribution and has an MSU contribution match as shown below. Contributions are invested according to the employee’s directions.

(Non-broadbanded executives and administrators, professors, and associate professors start at the rate for years 3 through 10. For more information and/or step-by-step instructions on how to enroll in your plan, visit www.tiaa.org/minotstate.

Funds are available for withdrawal, rollovers, transfers, or various income options after termination of employment. For more information and step-by-step instructions on how to enroll in your plan, visit www.tiaa.org/minotstate.
NDPERS
Employees in job families 4000 through 7000 participate in this retirement plan. Employees are required to contribute 3% of salary to the plan. MSU contributes 12.26%, for a total of 15.26% of an employee’s annual salary. Participants are fully vested after three years in this plan. This plan provides a pension upon retirement.

SUPPLEMENTAL RETIREMENT ACCOUNTS
All employees may participate in additional retirement investment options, including 403b and 457 deferred compensation plans. Please contact HR if you have any questions.

LONG-TERM DISABILITY INSURANCE
There are two different LTD plans used by MSU; one for faculty and professional staff and one for all other staff. The plan for faculty and professional staff is provided by The Standard. The plan for all other staff is provided through NDPERS. In both cases there are no deductions from an employee’s salary as MSU pays the premium.

The Standard: This plan seeks to provide approximately 60% of salary in the event of a long-term disability. The amount provided by The Standard may be reduced by other streams of disability income such as social security disability insurance. The eligibility period for defining the long term disability is six months. [ The Standard ]

NDPERS: This plan seeks to provide 25% of salary in the event of a long-term disability. This amount is not reduced by other streams of disability income. The eligibility period for defining the long-term disability is twelve months. [ NDPERS ]

LONG-TERM CARE
Two long-term care plans are available for employees at their expense. These include plans from CNA and UnumProvident. The CNA plan is available for TIAA-CREF retirement participants and the UnumProvident plan is available for NDPERS retirement participants. Information concerning both plans is available in the HR office. [ NDPERS ]

TRANSFERS
When transferring in from another state agency all benefits provided through NDPERS remain as they were at the previous agency; they can be decreased but not increased. Benefit enrollment at MSU will only include non-NDPERS related programs.

EMERGENCY NOTIFICATION SYSTEM AND CAMPUS CLOSURE
In the event of a necessary campus closure — such as severe weather or other emergencies — alerts are sent (via Assurance) to students and employees via mobile (voice and/or text), landline, and/or e-mail. Employees are automatically enrolled in the alert system. You can update your information within Campus Connection. Login and click on the link labeled Emergency Notification Updates.

SEVERE WEATHER CLOSURES
During a severe weather closure, non-essential employees are asked to leave campus and will be paid for the day. Essential staff who work during a campus closure will receive compensatory (comp) time.

Any hours worked over 40 hours will also be compensatory time paid at time and a half the normal rate of pay. Compensatory time will be used, when possible, within six weeks. Supervisors are required to record comp time in TLAB.

Employees not scheduled to work during the closure because of a previous arrangement, including annual or sick leave, will not be charged leave for the closure. When MSU is open, employees unable to report to work shall notify their supervisor and take annual leave or leave without pay.

INCIDENT REPORTING
MSU recognizes that the health, safety, and well-being of its employees is of utmost importance. A high priority is placed on the prevention of accidents and occupationally incurred illnesses before they occur. It is a goal of the University to reduce claim costs. It is the responsibility of every employee to work in a safe manner, and to intervene when others are performing in an unsafe manner.

All injuries, incidents, or hazards occurring on property owned or controlled by MSU or involving MSU employees, students, or visitors while under the direction of the University must be reported to the Office of Facilities Management within 24 hours. Incidents do not need to result in illness, injury, or property damage to be reported – near miss incidents must also be reported as the University may require remedial action. If the employee is unable to fill out the form, the supervisor should complete it for the employee.

WORKERS’ COMPENSATION
MSU employees are protected by Worker’s Compensation, through Workforce Safety & Insurance (WSI). This covers employees against accidental injuries or occupationally-incurred illness in the performance of job related duties. If you are injured or “may” have an injury, the employee (or a supervisor representative) should file a First Report of Injury with WSI. The online First Report of Injury service is quick, easy, and confidential.
After completing the online First Report of Injury process, the employee will receive a claim number including an online confirmation that the claim was successfully submitted. We encourage you to print the form for your records. [ File a First Report of Injury ] [ Information, Forms and Claims ]

**DESIGNATION OF MEDICAL PROVIDER**
MSU participates in the Risk Management Workers Compensation Program. This allows the State to designate health care providers to treat your workplace injuries and illnesses. The designated medical provider for MSU is Trinity Health Care.

Workforce Safety and Insurance may not pay for medical treatment to another provider unless you are referred to this provider by the designated medical provider form, or unless you notified human resources in writing prior to the injury that you wanted to be treated by a different medical provider. You must also name the medical provider you designate. Emergency care is exempt from this designated provider requirement. [ Designated Medical Provider Form ]

**TOBACCO FREE WORKPLACE**
MSU is a tobacco-free campus prohibiting all tobacco use on campus including E-cigarettes, smoking, and chewing tobacco in university owned or operated buildings, on all campus property and grounds, and in university owned, leased, or operated vehicles.

**DRUG FREE WORKPLACE**
Unlawful consumption of alcoholic beverages or use of illegal drugs, being at work while under the influence of alcohol or a controlled substance, disruptive behavior, unlawful gambling, unauthorized use of public property or resources and other unauthorized activities that disrupt the efficient and economical administration of MSU is prohibited. Violation of applicable laws or policies governing possession and use of alcoholic beverages or controlled substances, including the Drug Free Workplace Act, SBHE Policy 615 or institution policies, are prohibited.
