Data Source: North Dakota University System. Headcount is the total number of students enrolled regardless of the number of credit hours. NDUS reports the headcount as the number of students enrolled on the 4th week of classes in the term.

¹ “Enrollment at some institutions includes students who were registered but had not made payment or been granted an extension based on documented good cause as of the census date. This includes 24 students at NDSU, 40 students at UND, 71 students at NDSCS and 239 students at LRSC for a total of 374 students.” (Creating a University System for the 21st Century, 2007 Fall Enrollments, November 2007, p. 1)
