Concurrent Enrollment Form

Concurrent Enrollment: Federal regulations allow F-1 students to take courses at more than one institution as long as: 1) enrollment at both schools amounts to a full-time course load; 2) both schools are SEVIS-certified; and 3) Minot State will apply the courses taken at the other institution towards the student's program of study at MSU (USCIS 8 C.F.R. § 214.2(f)(6)(iv)).

A full-time course load is defined as 12 credits for undergraduates and 9 credits for graduate students.

Questions should be directed to Elizabeth Sund, International Student Coordinator, at elizabeth.sund@minotstateu.edu.

B. Student Certification

By signing below, I verify my understanding that I must enroll in classes that are transferable and that will be applied towards my academic program at MSU. I also understand that I must be registered for a full-time course load between the two schools in order to maintain my F-1 student status. I acknowledge that my SEVIS record will be maintained by Minot State University and therefore, on-campus employment will only be allowed at MSU.

Furthermore, I agree to submit proof of registration at the other school for my file in the MSU Office of International Programs, and I understand that failure to complete this step could result in the termination of my F-1 status.
