

International Programs

Central Europe Study Tour Sponsorship Menu

Friends and family can contribute directly to study tour costs (\$4,130 + airfare per person) through the Donate button located below.

Choose "Central Europe Study Tour" in the designation field. In the "Gift Preferences" section, donors have the option to make a gift towards overall program costs, which would be split evenly between all travelers, or designate an individual who will receive the entire gift amount.

If donors would like to sponsor a specific program activity or city total, suggestions are provided below. These funds will be collected in a single account, to be paid toward the program cost by the due dates.
