

How to Self-Enroll in Tutorial Courses

All courses are automatically added to your Blackboard page and instructors make the courses available to view. You will NOT need to self-enroll in regular college credit courses. If your course is not available, please contact your instructor. Not all on-campus or face-to-face courses use Blackboard.

Below are the instructions to self-enroll in a tutorial course in Blackboard.

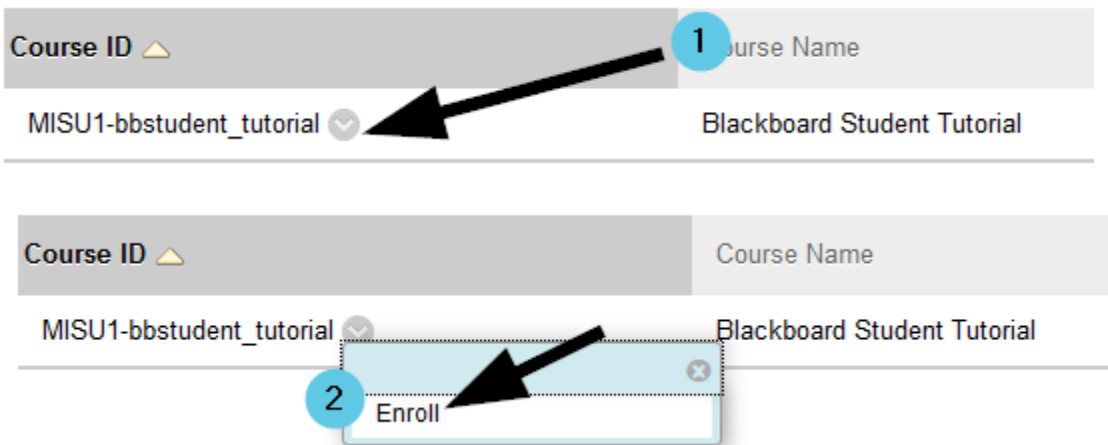

1. Go to the [Minot State home page](#)
2. Under the Students menu, click on Blackboard Login
3. Enter your USERNAME and PASSWORD, which are the same ones you use to login to Campus Connection
4. Click on the Courses tab

5. When the Courses tab opens, enter Blackboard Student Tutorial in the Course Search tool and click on Go.
6. Blackboard Student Tutorial in the Course Search tool and click on Go.

7. Once you have found your course, place your mouse over the Course ID and click on the Options Menu (the gray circle with a white arrow) and click on Enroll.

8. Click on Submit. Your course will now appear in the My Courses module on the My MISU tab.
