### **Minot State Fall 2022 President's List**

**MINOT, N.D.** – Minot State University announced a total of 474 students were named to the Fall 2022 President's List, according to Minot State President Steven Shirley.

Students who earned a term grade point average of 3.8 or higher while enrolled for 12 or more credits during the Fall 2022 semester were named to the list. The honor will show on the student's transcript for the semester it was earned.

"We are proud to celebrate and recognize the achievements of our students earning distinction by being named to the President's List," Shirley said. "The students honored with this acknowledgment deserve our heartiest word of 'congratulations!' for their outstanding academic accomplishment and their pursuit of excellence in the classroom."

Students named to the Minot State Fall 2022 President's List are ordered according to their hometowns. North Dakota students are listed first, followed by students with out-of-state hometowns listed alphabetically by state, then hometown. Canadian students are listed alphabetically by province, then hometown. Finally, international students are listed by home country and hometown.
