Minot State Fall 2019 President’s List

MINOT, N.D. – Minot State University announced a total of 433 students were named to the Fall 2019 President’s List, according to Minot State President Dr. Steven Shirley.

Students who earned a term grade point average of 3.8 or higher while enrolled for 12 or more credits during the 2019 fall semester were named to the list. The honor will show on the student’s transcript for the semester it was earned.

“Congratulations to the students who have earned the highest academic level of achievement at Minot State University — the President’s List. Each of these students are to be commended for achieving academic excellence during the fall semester and for their effort in earning this significant recognition,” Shirley said.

Students named to the Minot State Fall 2019 President’s List are ordered according to their hometowns. North Dakota students are listed first, followed by students with out-of-state hometowns listed alphabetically by state, then hometown; and then Canadian students alphabetically by province, then hometown. Finally, international students are listed by home country and hometown.
