Minot State Fall 2020 President’s List

MINOT, N.D. – Minot State University announced a total of 473 students were named to the Fall 2020 President’s List, according to Minot State President Dr. Steven Shirley.

Students who earned a term grade point average of 3.8 or higher while enrolled for 12 or more credits during the Fall 2020 semester were named to the list. The honor will show on the student’s transcript for the semester it was earned.

“I am especially pleased to congratulate all of the students being honored with Minot State University’s highest level of academic achievement — the President’s List. These students are to be applauded for their academic excellence and commended for the accomplishments they earned during the fall semester,” Shirley said.

Students named to the Minot State Fall 2020 President’s List are ordered according to their hometowns. North Dakota students are listed first, followed by students with out-of-state hometowns listed alphabetically by state, then hometown. Canadian students are listed alphabetically by province, then hometown. Finally, international students are listed by home country and hometown.
