Minot State Spring 2022 President's List

MINOT, N.D. – Minot State University announced a total of 501 students were named to the Spring 2022 President's List, according to Minot State President Dr. Steven Shirley.

Students who earned a term grade point average of 3.8 or higher while enrolled for 12 or more credits during the Spring 2022 semester were named to the list. The honor will show on the student's transcript for the semester it was earned.

"It is a wonderful privilege recognizing the students being honored in the President's List as this is the highest academic honor we bestow at Minot State University. These students represent the absolute 'best of the best' in the classroom, and they are all to be commended for achieving academic excellence this spring," Shirley said.

Students named to the Minot State Spring 2022 President's List are ordered according to their hometowns. North Dakota students are listed first, followed by students with out-of-state hometowns listed alphabetically by state, then hometown. Canadian students are listed alphabetically by province, then hometown. Finally, international students are listed by home country and hometown.
