**Minot State Spring 2022 VPAA and Engagement Honor Roll**

**MINOT, N.D.** – Minot State University announced a total of 270 students were named to the Vice President for Academic Affairs’ Honor Roll for Spring 2022 and nine students earned a spot on the Engagement Honor Roll.

Students who earned a term grade point average of 3.5-3.79 while enrolled for 12 or more credits during the Spring 2022 semester were named to the VPAA list. The honor will show on the student’s transcript for the semester it was earned.

The Engagement Honor Roll is an opportunity for Minot State University undergraduate students to receive recognition for the engagement activities they participate in while a student at MSU, through inclusion of this distinction on their transcripts. Students must complete a minimum of 50 hours, verified by supervisors, in any combination of engagement activities in order to be recognized during any given term.

“Congratulations to all the students on the VP for Academic Affairs and Engagement Honor Rolls. I am proud of these students and their hard work,” said Laurie Geller, Minot State vice president for academic affairs.

The Engagement Honor Roll is ordered by the students’ last name. Students named to the VPAA Honor Roll are ordered according to their hometowns. North Dakota students are listed first, followed by students with out-of-state hometowns listed alphabetically by state, then hometown; and then Canadian students alphabetically by province, then hometown. Finally, international students are listed by home country and hometown.
