Telemark University College officials visit MSU

Minot State University hosted a very successful visit by officers from Telemark University College in Skien, Norway, Oct. 9-10. The purpose of the visit, held in conjunction with Høstfest, was to work out details regarding the agreement signed by the two institutions in June. Representing Telemark were Knut Duesund, vice rector and vice chair of the TUC Executive Board, Anne Glenna, chair of the Department of Teacher Education and former executive board member, and Trine Ellefsen, director of international relations and executive board member. Duesund and Glenna also are members of Telemark's International Committee which deals with international relations and programs, student exchanges and related matters. Along with a general meeting where both institutions made presentations, the three Telemark officials met with the deans of the three MSU colleges, the Graduate School and the Center for Extended Learning to discuss program specifics. A larger group tackled and made progress on details to facilitate faculty and student exchanges.

'Laramie Project' opens main stage season

The Minot State University main stage play "The Laramie Project," will run Oct. 18-22 in Aleshire Theater. Show times are 7:30 p.m. Thursday through Saturday, with a 2 p.m. matinee on Sunday.

This award-winning play is by Moisés Kaufman and members of the New York Tectonic Theater Project. The script centers around the town's reaction to the 1998 murder of Matthew Shepard in Laramie, Wyo. The murder was widely considered to be a hate crime. The play draws from more than 200 interviews conducted by the theater company, the company members' own journal entries and published news reports. Combining all creates a chorus of voices that brings to life the thoughts and feelings of the people of Laramie.

There will also be a panel and audience discussion following the performances on Thursday, Friday and Saturday.

MSU students, faculty and staff are admitted free with MSU ID. Tickets at the door are \$6 for adults and \$5 for senior citizen and children. Reservations are recommended and can be made by calling 858-3172.

Announcements

Campus United Way campaign underway

This year's Souris Valley United Way campus campaign has changed from recent years, so please take note of the following items:

- The campaign will run Oct. 15-26.
- All donations/pledges should be sent through inter-campus mail to United Way.
- Watch your e-mails! There will be contests to help raise awareness of some of the United Way agencies and what services they offer. Check out the Minot State University homepage later and try your luck at answering the current question—two winners will be drawn today (Oct. 17) from all correct responses!
- Special drawings will be held on Oct. 19 and Oct. 26. To qualify all you have to do is turn in your donation/pledge before either date!

There are so many ways to give to the United Way! The easiest may be through payroll deduction. By checking that option on your pledge card, the amount you indicate will be deducted from each paycheck unless you specifically note that the amount should be a once per month deduction. You can specify any amount you want—even \$1 per paycheck adds up over the course of a year!

You can also make a one time donation—just include your personal check with your pledge card and send through the inter-campus mail to United Way, and you are done for the year.

Make a difference in your community and region—give to the United Way!

Services are Saturday at Bethany Lutheran Church, 11 a.m. Please join me in expressing our sincere sympathy and giving your support to Conrad, Karen and their family at this time.

On Oct. 23 Tom Decker, director of school finance and organization for the North Dakota Department of Public Instruction, will be making two presentations on the current and projected demographics of North Dakota. Decker will present this data at 8 a.m. and repeat his presentation at 10 a.m. in the Conference Center. All campus personnel are invited.

Optimist Club and SCEC to sponsor community Halloween party

The Optimist Club of Minot and the Minot State University Student Council for Exceptional Children are once again providing the youth in our community a safe Halloween event by sponsoring the 25th annual Community Halloween Party at the MSU Dome on Oct. 31, 5-8 p.m. In the past 2,000 children on average were provided with a safe and enjoyable way of trick or treating, thanks to the booth sponsors.

Businesses, service clubs, civic organizations, MSU student organizations, friends and neighbors are all requested to sponsor a booth which involves decorating the booth and handing out treats on Halloween. Booths can be decorated on Oct. 30 between 7 and 10 p.m. and anytime Oct. 31 before 4 p.m. Booths will be on the third floor. Awards will be given for best decorated booth and best costume. You are encouraged to promote your business or organization as you like. Business mascots are welcome.

If you are unable to sponsor a booth in the traditional sense, but your business or organization would still like to contribute to this community youth event, you may also become a monetary sponsor. Your donation is welcome.

If you would like to sponsor a booth, please contact Karla Lonning at 857-5541, ext. 18 or Carol Gefre at 240-0529 by Oct. 24.

Trick or treat candy needed

Halloween is just around the corner and pretty soon we will have lots of Minot children flooding the Dome to trick or treat at our student's booths. This is such a great community outreach and I'd like to see all of us get involved.

With the decline in enrollment, we are unable to give the clubs and organizations the amount of money that we have in previous years. For each club or organization to hand out candy at their booth, they must spend about \$50 to purchase candy plus any decorating items they plan to use. Our students do an outstanding job representing Minot State at this event and it would be sad if a group could not do a booth because they could not afford the candy.

This is where we, as university faculty and staff, can get involved. Would everyone bring a bag of candy (or two or three) to the Office of Career Services where we have a box set up to collect it? It will only cost each of us a couple of dollars and together, we can make a big impact for this event. I know that all of the clubs and organizations would greatly appreciate your contribution.

If you have any questions, please feel free to give Ann Rivera a call at 858-3987 or e-mail at ann.rivera@minotstateu.edu. Thanks so much.

— *Ann Rivera, student activities coordinator*
