**Minot State Spring 2020 President’s List**

**MINOT, N.D.** – Minot State University announced a total of 544 students were named to the Spring 2020 President’s List, according to Minot State President Dr. Steven Shirley.

Students who earned a term grade point average of 3.8 or higher while enrolled for 12 or more credits during the 2020 spring semester were named to the list. The honor will show on the student’s transcript for the semester it was earned.

“Congratulations to the students who have earned the highest academic level of achievement at Minot State University — the President’s List. Each of these students are to be commended for achieving academic excellence during the Spring 2020 semester and for their effort in earning this significant recognition. It is especially admirable given this spring’s unusual set of circumstances requiring the semester be completed online due to the COVID-19 pandemic,” Minot State President Dr. Steven Shirley said.

Students named to the Minot State Spring 2020 President’s List are ordered according to their hometowns. North Dakota students are listed first, followed by students with out-of-state hometowns listed alphabetically by state, then hometown. Canadian students alphabetically by province, then hometown. Finally, international students are listed by home country and hometown.
