Minot State Fall 2017 President's List

MINOT, N.D. – Minot State University announced a total of 424 students were named to the Fall 2017 President's List, according to MSU President Dr. Steven Shirley.

Students who earned a term grade point average of 3.8 or higher while enrolled for 12 or more credits during the 2017 fall semester were named to the list. The honor will show on the student's transcript for the semester it was earned.

“It is our privilege honoring the students who have earned the highest academic level at Minot State University – the President's List. Each of these students represent the very best in academic achievement from the fall semester; they have put forth the time and effort necessary to achieve this accomplishment. Congratulations to all who earned this honor,” said Shirley.

Students named to the MSU Fall 2017 President's List are ordered according to their hometowns. North Dakota students are listed first, followed by students with out-of-state hometowns listed alphabetically by state, then hometown; and then Canadian students by alphabetically by province, then hometown. Finally, international students are listed by home country and hometown.

NORTH DAKOTA STUDENTS
