### **Minot State Spring 2019 President's List**

**MINOT, N.D.** – Minot State University announced a total of 454 students were named to the Spring 2019 President's List, according to Minot State President Dr. Steven Shirley.

Students who earned a term grade point average of 3.8 or higher while enrolled for 12 or more credits during the 2019 spring semester were named to the list. The honor will show on the student's transcript for the semester it was earned.

"We are pleased to recognize the students who have earned the highest academic level at Minot State University — the President's List. These students represent the finest in academic achievement at Minot State from the spring semester. They have put forth the time, effort, and commitment necessary to succeed, and their accomplishment is most impressive. Congratulations to all who earned this honor," Shirley said.

Students named to the Minot State Spring 2019 President's List are ordered according to their hometowns. North Dakota students are listed first, followed by students with out-of-state hometowns listed alphabetically by state, then hometown; and then Canadian students alphabetically by province, then hometown. Finally, international students are listed by home country and hometown.
