

Student Activities

Active Clubs & Organizations Fall 2025

Minot State University offers more than fifty student organizations reflecting the variety of interests of our student population – from leadership opportunities and community service to social events and entertainment. Getting involved is easy! Consider starting with an organization related to your academic area of study. From there, find something you enjoy or challenge yourself to try something new. Below you will find the list of active clubs and organizations. To join, start by e-mailing their club, visiting with their advisor or a current member, or attending the club fair at the start of each semester. If you need help, contact aaron.hughes@minotstateu.edu

Don't see one that fits your interests? Consider starting a new student organization!

Forming an organization can be a challenging, but very rewarding process. To ensure success, the Office of Student Activities has designed a process that will help your group form a solid foundation so that your organization can flourish and provide valuable experiences to your fellow students.

Stop by the Student I.D. Office or email aaron.hughes@minotstateu.edu with questions!
