

### **Measure 3: Candidate competency at completion**

#### **Indicators of Teaching Effectiveness – Content Knowledge**

##### Data Item: Praxis II Content Exams

CAEP Standard(s) Assessed: RA 3.3, 3.4

Collection Timeline: The final semester prior to completion

Collection Tool: ETS Praxis II Exam

Assessors: ETS. Pass scores for each exam are established by ETS and posted on the ND ESPB website.

Reporting Audience: ND ESPB, TESAC, TEAC, Graduate School, Department Program Director & Faculty

Advanced Completer Praxis II Data:

- 13 candidates took the Praxis II content exam appropriate for their disability concentration area. 100% passed on the first try.
- 1 candidate took the equivalent content exam for licensure in MN and passed on the first try.
- 1 candidate test score is missing
- 1 candidate did not take the exam as they are not seeking licensure
- 1 candidate did not take the exam as they were unable to access the test in the country in which they reside

Interpretation:

Data from the Praxis II content exam indicate advanced completers are equipped to pass the exam required for licensure.
