

Directions for Getting into SLL for Students

1. Go to sll.watermarkinsights.com or the Clinical Experiences website: https://www.minotstateu.edu/teu/clinical_experiences.shtml
2. At the login screen enter your [minotstateu.edu](mailto:yourname@minotstateu.edu) email as the username and then click Forget Password. Please don't use a personal email or your email with @ndus.edu. Please note that everyone has a @minostatu.edu email – it starts the same as your @ndus.edu email and goes to the same in-box.

3. SLL will display this box so enter your [minotstateu.edu](mailto:yourname@minotstateu.edu) email again.

4. Login to your regular campus email and check for a password reset link. You will get to create a new password and this will not sync with your NDUS password so keep track of it. If you lose it, you will need to click Forget Password.
5. Most of the emails come within 10 minutes. If they don't, please try again to make sure you didn't type something wrong (i.e. @minotstate.edu) Please email Deborah.ringham@minotstateu.edu if you DON'T get an email.
