

Data item: Supervisor Survey graphs

Timeframe completed: Completed by employers of first year teachers in the spring of the 1st year of teaching

Data available: 2020-2021, 2021-2022, 2022-2023

Response Rates: 22% (2020-2021); 8% (2021-2022); 28% (2022-2023)

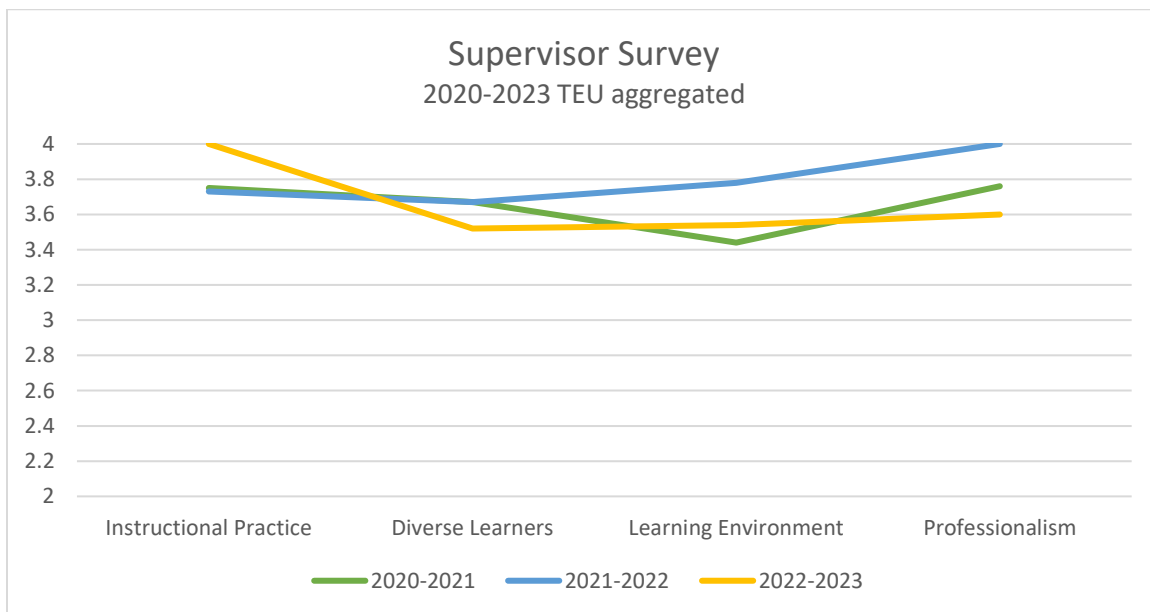

Evidence quality: See Supervisor Survey Evidence Quality Document

Standards measured as categories: Instructional practice (INTASC 1, 4, 5, 6, 7, 8); Diverse Learners (INTASC 2); Learning Environment (INTASC 3); Professionalism (INTASC 9 and 10)

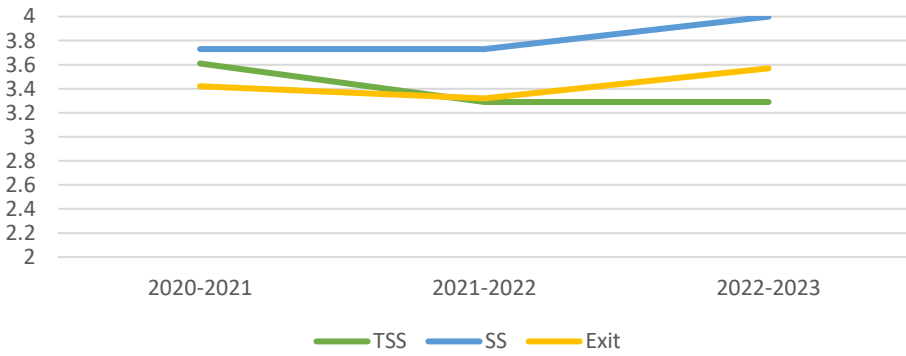

Standards measured as questions: (See Survey Grid) (please note that the survey is designed to be analyzed by category, but TEU faculty have found specific questions more helpful for tracking program improvements)

Data analysis:

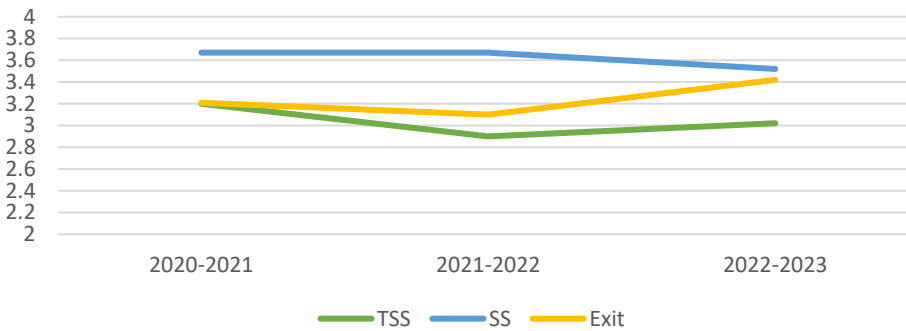

- By category (see above) with data aggregated for TEU
- By category comparison among Exit Survey, Transition to teaching survey (1st year teacher) Supervisor survey (principal of 1st year teacher)

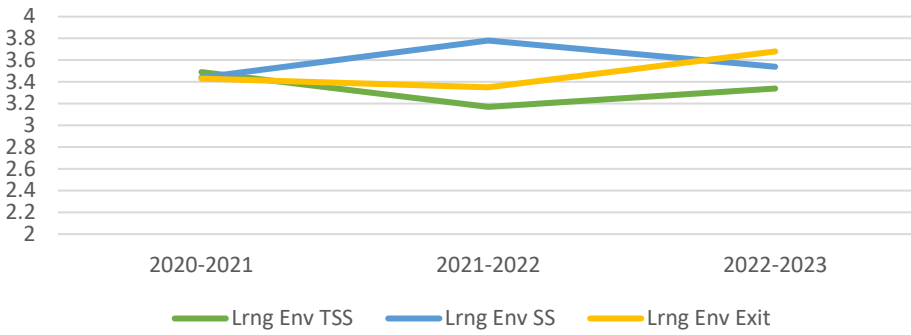

Instructional Practice Exit Survey, TSS, SS comparison 2020-2023

Diverse Learners Exit Survey, TSS, SS comparison 2020-2023

Learning Environment Exit Survey, TSS, SS comparison 2020-2023

Professionalism Exit Survey, TSS, SS comparison 2020-2023
