

## ESL Artifact Checklist & Brainstorm

Use this checklist to track which artifacts you already have and which you still need. Then use the brainstorm section to jot down ideas for each category.

### Part 1: Checklist

| Have | Need | artifacts                                |
|------|------|------------------------------------------|
|      |      | Research on needs of K–12 students       |
|      |      | Lesson Plan                              |
|      |      | Pre and Post Assessment                  |
|      |      | The rubric, answer key, or scoring guide |
|      |      | Levels of Performance                    |
|      |      | Error Patterns                           |
|      |      | Three Samples                            |
|      |      | Reflection on Content and Plan           |
|      |      | Reflection on Interactions               |
|      |      | Reflection on P–12 Use of Technology     |

### Part 2: Brainstorm Notes

Use the space below each heading to jot ideas or notes for your ESL draft.
